## **1.0 Licences**

- 1.1 Drivers require a full UK Licence. Drivers will be required to provide a PDF Licence check code to the organiser prior to the event. If you do not provide your PDF Licence check code prior to the event, you will not be allowed to drive.
- 1.2 You must bring your physical licence with you on the day of the track day experience, as it will be inspected on the day by the circuit/track day organiser. Circuits will not accept a photo. Failure to bring your driving licence with you on the day will prevent you from signing on as a driver, and therefore participating on the day. This is the circuit/track day organisers decision, and this is final – we have no bearing on this decision.
- 1.3 DVLA issued Road licence must be a fully unrestricted (not provisional) valid driving licence, with the appropriate category clearly indicated. NB: where you have a restriction of an automatic licence, you will not be able to join us for this experience, as we only stock vehicles with a manual gearbox.
- 1.4 Drivers with excessive penalty points will not be allowed to drive.
- 1.5 Passengers do not need to complete a licence check.
- 1.6 Passengers must be 16 years of age or older.

## **2.0 Driver Dress Code**

- 2.1 Both drivers and passengers will be expected to wear sensible and well-fitting shoes which are suitable for driving. Drivers and passengers must have your cover your arms and legs with long sleeves and trousers. In some circumstances, circuits may allow shorts, but this is only in extreme weather, and you will be advised of this prior to the event.
- 2.2 Drivers and passengers will need to wear a well-fitting helmet. For track day experiences this can be either open-face, or full-face helmets. Off-road style motorcross helmets are not permitted on any track.
- 2.3 **Helmet Hire:** We may be able to provide a helmet for you with a washable balaclava, however this is dependent on your size, and should be checked and booked with the Doris Archer Motorsport team in advance. There will be an additional charge for helmet hire of £20 for the day. Some circuits can offer helmet hire, but this may not apply for all, and needs to be checked with the circuit directly ahead of time.

## **3.0 Accompanied Drives**

- 3.1 You will be accompanied by one of the Doris Archer Motorsport team to support you on your track experience and to enable you to fully enjoy the day. It is imperative you follow their direction, failure to properly engage with their direction may result in forfeiting the rest of your track experience.

- 5.2 The cost covers fair use for fuel, reasonable wear and tear to tyres and brakes. Persistent spinning or sliding may result in damaged tyres, and this is not covered in your price, and you may be required to pay a fair proportion of their replacement. You will always be encouraged to drive smoothly.
- 5.3 Prices are quoted on the expression of booking intent form on the website. These prices may change at any time, but changes will not affect bookings already in receipt of their confirmation email.

- 6.2 The circuit typically offers photography as part of the track day and we are not in control of their decisions to what they photograph and where this is published.

## **7.0 Group Bookings**

- 7.1 Deposit: To secure a group booking, a non-refundable deposit of £300 is required to cover the cost of the track day booking via invoice. This will be sent to the group organiser. This can be paid via bank transfer only.
- 7.2 Final Payment: Settlement of the balance is due upon receipt and must be paid at least 4 weeks before the event.

## **8.0 Individual Bookings**

- 8.1 Full payment: The invoice will be provided to individuals at the time of booking. Settlement is due on receipt of the invoice.

## **11.0 Cancellation**

- 11.1 Cancellation of the booking must be made at least 1 calendar month prior to the event to increase the likelihood the space can be filled by a reserve. In the event we cannot fill the spaces, or move the track booking with the circuit, the organiser may still have to cover this cost from the deposit paid.
- 11.2 Track Day events may be cancelled by Doris Archer Motorsport or the circuit due to events beyond its control, for example adverse weather conditions. This will usually be in the interests of safety. Where a track day is cancelled in its entirety for such reasons, Doris Archer Motorsport will endeavour to notify participants of the cancellation, although we cannot guarantee that participants will be informed of such cancellation before the date of the event. Where possible, we will endeavour to offer either (a) a full credit towards a place on an alternative, later track day (subject to availability) up to the face value of the existing booking or (b) if an alternative date cannot be provided, a full refund.
- 11.3 If Doris Archer Motorsport cancel a track day experience for reasons other than events beyond its control, a full credit, transfer or refund will be offered.
- 11.4 To claim any refund, please apply in writing to us at the email address set out at the start of these terms and conditions.

## **12.0 Refunds**

- 12.1 Refunds cannot be offered for non-attending guests, as track and logistics costs are not refundable.

## **13.0 Vehicle Wear and Tear**

- 13.1 We expect some wear and tear to the vehicles and factor this into the hire cost.

- 13.2 Every effort is made to prepare the cars for the event, but mechanical issues can be unpredictable. In the event there is a mechanical failure, every effort will be made to resolve this at the track and get the car back out.
- 13.3 Due to the nature of this type of event, if there is a mechanical which cannot be resolved we may have to stop the experience. We are unable to offer a refund in this case.
- 13.4 We expect drivers to treat our cars with respect. You will be encouraged to push as your experience and confidence grows, but treating the car with no respect, or abusing it will not be tolerated. Aggressive or abusive driving could result in the driver being excluded from the remainder of the event. We are unable to offer a refund in this case.

#### **14.0 Weather**

- 14.1 We have wet weather tyres for the cars, if required, and will continue in most weather conditions. However, if the weather becomes unsafe to drive in, we reserve the right to pause the experience and can use the time to reflect on your driving and offer group coaching in the paddock.

#### **15.0 Drink and Drugs**

- 15.1 Driving whilst under the influence of alcohol, or drugs, or any medication which may affect your driving is strictly forbidden. Any driver who is unfit to drive on the day, will not be permitted to participate. Refunds cannot be offered in this case, as track and logistics costs are not refundable.

#### **16.0 Acknowledgement of Risk**

- 16.1 Motorsport is dangerous and can involve injury or death. Despite Doris Archer Motorsport and the venue taking all reasonable precautions, accidents can happen. By attending a track day experience, you acknowledge this and confirm that you are aware of the nature of the activity and attend at the venue at your own risk.
- 16.2 The venue may wish to conduct security searches to ensure the safety of customers and other persons at the event. The venue may refuse access to, and remove from it's venue any persons who are acting against the interests of safety and/or whose behaviour is likely to cause damage, nuisance, or injury.
